TIMES PRESS, ELIZABETH, N. J.

Guarantee

While we exercise the greatest care to have all trees, shrubs and plants sold by us true to name and free from disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise, we do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in the case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods.

☞All claims for errors, deductions, etc., must be made immediately upon receipt of goods, or cannot be allowed.

We cannot fill long lists for one or two of a kind at less than single rates; 25 of a kind at hundred rates, and 250 of a kind at thousand rates.

Samples will be charged at hundred rates.

☞We do not guarantee stock to live, we guarantee stock to be in good condition when it leaves our grounds.

TERMS—Cash with order from unknown parties, or satisfactory reference. If goods are to be sent C. O. D. one-third of the amount must accompany order. Packing will be done in the best manner, in bales or boxes, at the cost of the purchaser, but no charge will be made for delivery to the railroad.

NEW JERSEY STATE BOARD OF AGRICULTURE.

Office of the State Entomologist.

No. 22. 1908.

New Brunswick, N. J., September 8, 1908.

THIS IS TO CERTIFY, That I have this 5th day of September, 1908, inspected the nursery stock growing on the Elizabeth Nurseries, Elizabeth Nursery Co., Proprietors, at Elizabeth, in Union County, New Jersey, and have found the same apparently free from San Jose Scale and other dangerously injurious insect pests; also, that the examined stock seemed healthy.

I Further Certify that the nursery has a properly constructed house 11 x 9, 6 x 22 feet for fumigating with hydrocyanic acid gas, upon which I have marked the quantity of cyanide of potassium required for an effective charge.

This Certificate expires June 1st, 1909, and covers only stock actually on the nurseries when examined.

JOHN B. SMITH, State Entomologist.

Azalea Amoena

We have the largest stock of these beautiful plants in this country at very low prices. For sizes and prices, see page 7.

Viburnum Plicatum

We are confident we can grow Viburnum Plicatum more successfully and cheaper than in any other part of the country. See sizes and prices on page 12.

Herbaceous Plants

We have over 1,500,000 hardy herbaceous plants which are not small divided plants, as we give the whole plant or clump, and believe we have one of the finest assortments in the United States. Varieties and prices are given on pages 18 to 32.

PAEONIAS, assorted varieties, not named, $4.00 per 100; $35.00 per 1,000. Named varieties, our selection, $6.00 per 100.

See pages 25 and 26 for varieties and prices.

We cannot be excelled in quantity or quality of **PHLOX.** Varieties and prices on pages 27, 28 and 29.

For Screening Purposes and Group Planting.

Note list enclosed for trees that are not first class in every respect. We are offering these trees at about one-quarter of their value; they will make fine trees a little later, having all been transplanted. For screening purposes these trees are just as good as those at four times their price. They will measure from 1½ to 5 inches in diameter.

LARGE TREES from 5 to 8 inches in diameter priced on application.

Herbaceous Plants

Each will be an individual plant, not divided, and guaranteed true to name.

This line with us is a special department, and is under the control of an expert grower, whose every effort is and will be to produce plants equalled by no one. We are making great advances in the growing, handling and shipping of herbaceous plants. We have over sixty varieties of field grown Phlox—we believe the largest stock in this country (varieties are given on pages 27, 28 and 29), to which special attention is called.
